President’s Message

Hauoli makahiki hou, members of the Pearl Harbor Hawaiian Civic Club!

Our Club kicked-off the New Year with a Kika Convention at the Aulani Hotel by doing a demonstration of ti-leaf wristlets for the Honda Convention. We are ever so thankful to Kika Matsumoto for providing us with the opportunity to do these conventions for our visitors, which helps us to earn money for our scholarship fund.

I would like to say mahalo to all of you for giving me the opportunity to lead this Club for 2015. We have many new members and I would like to dedicate my time to teach the new members—and all of our members—the importance of our mission and exactly who we are and what our kuleana is to the Hawaiian community. Last year we once again won the Outstanding Hawaiian Civic Club of the Year Award. We worked really hard and I’m very proud of our accomplishment. Prince Jonah Kuhio Kalaniana‘ole started the Hawaiian Civic Club movement and I know that he, along with all of our kupuna that led this club before, are all smiling down on us with great pride for all that we do.

I want to thank Momi Phillips for the remarkable job she did chairing our Christmas party. She and her committee did a beautiful job of decorating the room and the food we had was exceptional. Momi had her ohana from Guam—who are not even members of our Club—took on the kuleana to decorate the room, along with Michael Kapua. It created such a festive Christmas spirit for all who attended. I'd also like to thank Lorna Pacheco for doing a superb job of cooking the main dish of prime rib and mashed potatoes, which was donated by the Club. MAHALO to all of our members who brought all the "ono" dishes that complemented our main dishes and the great desserts we all enjoyed. Mahalo to Moana Sanders for doing such a great job on the presentation of the grab bag gifts that we all shared. That was hilarious, as it always is.

I am very proud of our Club and proud to be your President. Your Board of Directors had its first board meeting on January 11 and everyone was present. We are off to a great start. We have many exciting events this year, so stay tuned to your newsletter to look for those upcoming activities. I look forward to seeing all of you at our Installation on Saturday, January 24, at 11:00 a.m. Please invite your friends and ohana come enjoy the nahenahe music of Ku'uipo Kumukahi and the Hawaiian Music Hall of Fame Serenaders.

Aloha pumehana,
Toni Lee

DUES - We are currently accepting your annual dues. Please don't forget to turn them in to our Treasurer, Albert Low. The cost is still \$20 per person and \$10 for opio. You may remit payment to:

CLUB INSTALLATION AND DONATIONS

The Installation Luncheon will take place on Saturday, January 24, from 11:00am to 2:00pm. Please note that the location has changed and will be held at the Dole Ballrooms in Iwilei. The luncheon also serves as our general meeting for the month of January. There will be a silent auction and entertainment by Ku‘uipo Kumukahi and the Hawaiian Music Hall of Fame Serenaders. We are also accepting donations of lei to give to our luncheon guests. If you are able to donate or if you have flowers you can donate, please call Toni Lee at 222-7853 so she can arrange a pick up from you ahead of time. Michael Kapua is in charge of decorations for the tables and the stage.

For the silent auction, we are kindly asking for donations of gently used items and collectables that you are willing to part with. Likewise, if you know of any individuals or businesses who are willing to donate items or gift certificates, please let us know.

For those of you who learned how to do Hawaiian crafts through our Ho‘olako Grants, we would really appreciate it if you could please recreate any of those beautiful items and put them into the auction. Remember, we are a non-profit organization and all of the items are tax deductible. All items will be collected on January 22, at the Halawa Gym at 6:00pm. We invite everyone to come and potluck, organize and/or make auction items to sell. If you have any questions, please contact Cheryl Kapua at 479-3261 or Lorna Pacheco at 781-2488.

In honor of King Lunalilo’s birthday, our Club will make a donation to Lunalilo Home. We ask that you please bring canned goods and non-perishable foods for the event that will take place at the home on January 31.

26TH ANNUAL GREAT ALOHA RUN

It's that time of year again, and we are looking for volunteers to help pass out water to runners at our station on **Monday, February 16,** in front of Harley Davidson. Volunteers are asked to bring cardboard soda boxes if they have any lying around their house, as well as water pitchers to fill up cups. Other helpful tools that are useful—but not necessary—are flashlights, as it may be hard to see. If you are able to attend, you will need to find parking in an area not blocked off for the run, and meet us at Harley Davidson around 5:00am. We would like to have a head count in order to have enough volunteer T-shirts. For those interested, there will be a sign-up sheet at the Installation Luncheon, or you can also email Pohai Keliiaa at tyffiny@hawaii.edu or call/text at 702-683-9817. We look forward to seeing you there!

A friendly reminder: Your grades for your second semester are due. Please turn them over to the Scholarship 2015 Chair, Charles Kapua, so you may receive the second half of your scholarship. His email address is: 22hwnkane@gmail.com.

THE PEOPLE'S KING

King William Charles Lunalilo's Birthday Luau will be held at Lunalilo Home on January 31 from 11:30am to 1:30pm. If you are interested in attending the luau, please call Charles K. Kapua at 479-3263. We can hold a reservation for you and you can pay at the door. We must reserve the seat for you first. If you haven't contacted Charles Kapua yet, please do so right away.

MATSON CLEAN UP

Remember the Matson Clean Up our Club did back in October? We have received our \$1,000 for doing the service project. Mahalo to Lorna Pacheco for securing that project and she has volunteered to chair the project once again in 2015. More information on that project will be announced in our newsletter at a later time. It was a fun project and we look forward to doing it again. Mahalo to all of our members and their ohana who participated in the clean up! Way to go HALA 22!

ALI'I SUNDAY

The 2014 Ali'i Sunday was in honor of Princess Bernice Pauahi Bishop on December 14. Jan Burns, the Kamehameha Schools Alumni President, Oahu Region, delivered a speech about the princess. It was a great speech and we are sharing it with all of you in this newsletter. Club members who attended the event included: Charles Kapua, Toni Lee, Brendon Kaleiaina Lee, Moana Sanders, Ka'iulani Hess, Nola Nahulu, Ku'u lei Reyes, and Kaipo and Karen Kanahele.

A TRIBUTE TO PAUAHI

WHAT'S TRENDING?

by Jan Burns

#1MARCUS MARIOTA WINS HEISMAN TROPHY, #2 THE RAGTIME GALS WITH STEVE CARELL, #3 Jetman Aerobatic Formation Flight in Dubai, #4 GIFT WRAPPING HACK, #6 CHRISTMAS SURPRISE TRAFFIC STOP WITH LOWELL POLICE

These are just some of the topics I've pulled from the overabundance of topics that are known to be "trending" today on social media, and by the time I step down from this podium, there will be another 5 trends in its place.

As you know, social media is the global engine that drives awareness toward a particular topic. Throw in some horsepower – like a hash tag and a keyword or phrase about that topic, and if you follow something or someone popular on social media, enough momentum is generated that the topic becomes known as “trending.” [#Kainoa Daines].

Trends are determined by an algorithm that monitors hot subjects based on whom you follow and where you're located.

The global impact social media has on society is like the lava flow on Hawai'i Island. A natural phenomenon that is unpredictable in its intensity, capable of extraordinary displays of grandeur, and a source of uncertainty that brings about instant change. Whether we like it or not, trending on social media has left an indelible mark.

A trend in culture can also mean any form of behavior that develops among a large population that last longer than ten years.

Princess Bernice Pauahi Paki Bishop was a trendsetter. A visionary leader who understood the impact a quality education would provide. As the principal heir to her cousin Princess Ruth Ke`elikolani's estate, Pauahi inherits 353,000 acres, and with her husband Charles Reed Bishop's help, her vision becomes reality in 1887, with 4 teachers and an enrollment of 37 boys over the age of 12.

12.7 decades later, Princess Pauahi's endowment continues to support her vision, which has grown into a statewide educational system serving more than 47,000 learners annually at 30 preschool sites; K-12 campuses on Hawai'i, Maui and O'ahu; and through a broad range of community outreach programs. [#TheKamehamehaSchools, #Pauahi'sLegacyEndures]

While we honor our Princess, we must also acknowledge the mindful caretakers entrusted with her vision for a perpetual educational institution.

They along with many others over the decades have accepted this kuleana to nourish the vibrant futures of her people.

[#Trustees and Executives, #Educators, #Pauahi Foundation]

On June 23, 1891, the first graduating class of the Kamehameha School for Boys consisted of 14 graduates.

In 1897, the first graduating class of the Kamehameha School for Girls was 15 graduates.

Today, Kamehameha Schools Kapālama's graduating class is 450 strong.

[#I mua e na opio]

Officially founded in 1922, seven alumni of the Kamehameha School for Boys petitioned the treasurer of the Territory of Hawai'i to charter the Kamehameha Schools Alumni Association.

Today, the KSAA Board of Directors spans 15 regions throughout Hawai'i and the continent.

[#Transforming beneficiaries to benefactors]

In 1909, EDWIN MURRAY is the first Kamehameha School for Boys graduate to be named Trustee of the Bishop Estate.

Today, 3 Kamehameha Schools Kapālama graduates serve as Trustee.

[#Kane, #Wilhelm, #Nobriga]

Pauahi's spirit, her values, her vision - is viral in all of us. So, when you here the question "what's trending," know this... #gratitude, #kuleana, #giveback, #servant leadership, #good & industrious.

Indulge me for a moment...if you could please turn behind you, look up toward the balcony, and flash a smile for Dancine. We're going to post a picture of what's trending right now... #MahaloKeAliiPauahi
